“We’re Making History”

CABARRUS MEMORIAL HOSPITAL
SCHOOL OF NURSING
CONCORD, N.C.

The Florence Nightingale Pledge

NIGHTINGALE PLEDGE

*I solemnly pledge before God
and in the presence of this assembly:*

*To pass my life in purity and to practice my profession
faithfully.*

*I will abstain from whatever is deleterious and mischievous,
and will not take or knowingly administer any harmful
drug.*

*I will do all in my power to maintain and elevate the standard
of my profession, and will hold in confidence all personal
matters committed to my keeping and all family affairs
coming to my knowledge in the practice of my profession.*

*With loyalty will I endeavor to aid the physician in his work,
and devote myself to the welfare of those committed to my
care.*

Dedication — Mrs. Kay Leddon

Through our good days and bad days your encouragement and smiles have been consistent. Even though it was necessary to chase us down in clinical and getting us to discuss patient's diets was like pulling teeth, we are grateful for the knowledge you have given us related to nutrition. We promise to faithfully teach all future patients to eat BROCCOLI!!

Appreciation — Mr. Bob Davis

We appreciate your patience in teaching the unteachable. Your vast knowledge of body parts is admired. Some of our *longest* hours have been spent with you. The misuse phenomena will never be forgotten. We appreciate you, Biology Bob! Let us never forget: "If the sun shines . . ." P.S. If any Southern Bells come your way, RUN!!!!

Another year has gone by, with what seems to be at the speed of light. Now as we look towards the end I hope that we all remember the friends that we've made and the education that we're received. I hope we remember the good times as well as the bad. Let each if then serve as individual lessons. As we all go our separate ways, let us not forget where we started. I will always remember my Cabarrus days.

Freshman Class President Dedication

Reflections:

- Laughter, excitement, and enthusiasm permeating the air on that first hot August morning of orientation.
- Standing in unyielding lines.
- Carrying out life's processions up three flights of stairs.
- Wondering how in the world we would read all those books.
- Looking for your seat the first time in GAS.
- The beauty of the candle light Capping Ceremony and the pride that swelled our hearts.
- Yelling "FLUSH"
- Your first *real* patient.
- The first orange—the first arm (OUCH!).

But best of all, the love, sharing and working together to become the best!

What a year, what a year!
